

# **“MOOSELOOK” SALMON INITIATIVE**

**June 11, 12 & 13th**

## **General Information and Rules**

- You need to register and let us know you are participating, registration is FREE. Upon registration you will receive an informational packet. The packet contains info on the event, complimentary 2010 memberships to the Rangeley Region Guides' & Sportsmen's Assoc. and the Sportsman's Alliance of Maine (SAM), coupons and discounts from local businesses, and other info on the Rangeley area.

Registration stations will be located at Rivers Edge Sports (5am to 9pm Fri & Sat, 5am to 5pm Sun.) in Oquossoc, at Haines Boat launch in Oquossoc, and the State Launch at the southern end of Mooselookmeguntic Lake (8am to 2pm and 3pm to 8pm at the boat launches).

Registration stations will also be counting, weighing and collecting biological data from harvested salmon. Along with collecting any unwanted, donated salmon to be distributed to local food banks and charities.

- All current fishing regulations apply for Mooselookmeguntic Lake:

**SALMON:** Daily Bag Limit = 3 Fish.

Minimum Length = 12” except that only one may exceed 16”.

**BROOK TROUT:** Daily Bag Limit = 2 Fish.

Minimum Length = 10” except that only 1 may exceed 12”.

- In case overflow parking is needed at Haines Boat Launch there will be a shuttle available provided by Rivers Edge Sports. Other parking options are the lot across the street from Oquossoc Grocery or the lot for the state launch on Rangeley Lake in Oquossoc. Give them a call (864-5582) or stop by and they will gladly shuttle you back and forth to the Haines boat launch.
- Results from the event will be posted on the Rangeley Region Guides & Sportsmen's Club website [www.rangeleyguidesandsportsmen.org](http://www.rangeleyguidesandsportsmen.org)
- Stay tuned for future events in our quest to improve the quality of the salmon and brook trout fishery on Mooselookmeguntic Lake.
- Remember to inspect your boat for invasive aquatic plants before launching!!! Introducing a new problem, while trying to help the salmon fishery would be just “Loony”!!!

**THANKS TO EVERYONE FOR PARTICIPATING, ESPECIALLY TO THE ORGANIZATIONS, INDIVIDUALS, LOCAL BUSINESSES, AND STATE AGENCYS FOR THIER TIME AND CONTRIBUTIONS!**
